

MASS UP!

Keep the mass tight and together, safe and fun. Riding at the front?
Go slow and stop sometimes. Not up front? Fill in gaps and keep cars
out. Hear someone yell "Mass Up"? Echo the call and take action!
Critical Mass is people -- everyone's in charge, including you!

For more information on ride etiquette, upcoming events, and other local Critical Mass rides, [check out ChicagoCriticalMass.org](http://ChicagoCriticalMass.org).
