

Chicago Critical Mass August 2006

Hurricane Ride

Remembering those whose lives have been affected by climate change and increasingly severe weather

DO: MassUp™

(If you don't know what this means, ask someone)

Have Fun

It's one of the main reasons you're here, right?

Be Safe

It's no fun when you or others get hurt, right?

DON'T:

Litter

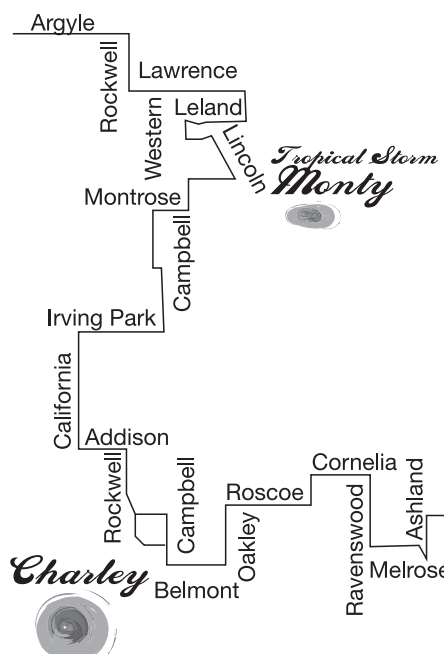

Throwing beer cans and butts on the streets makes you look like an asshole

Antagonize Drivers

They might flip out and kill you

Fuck with the Cops

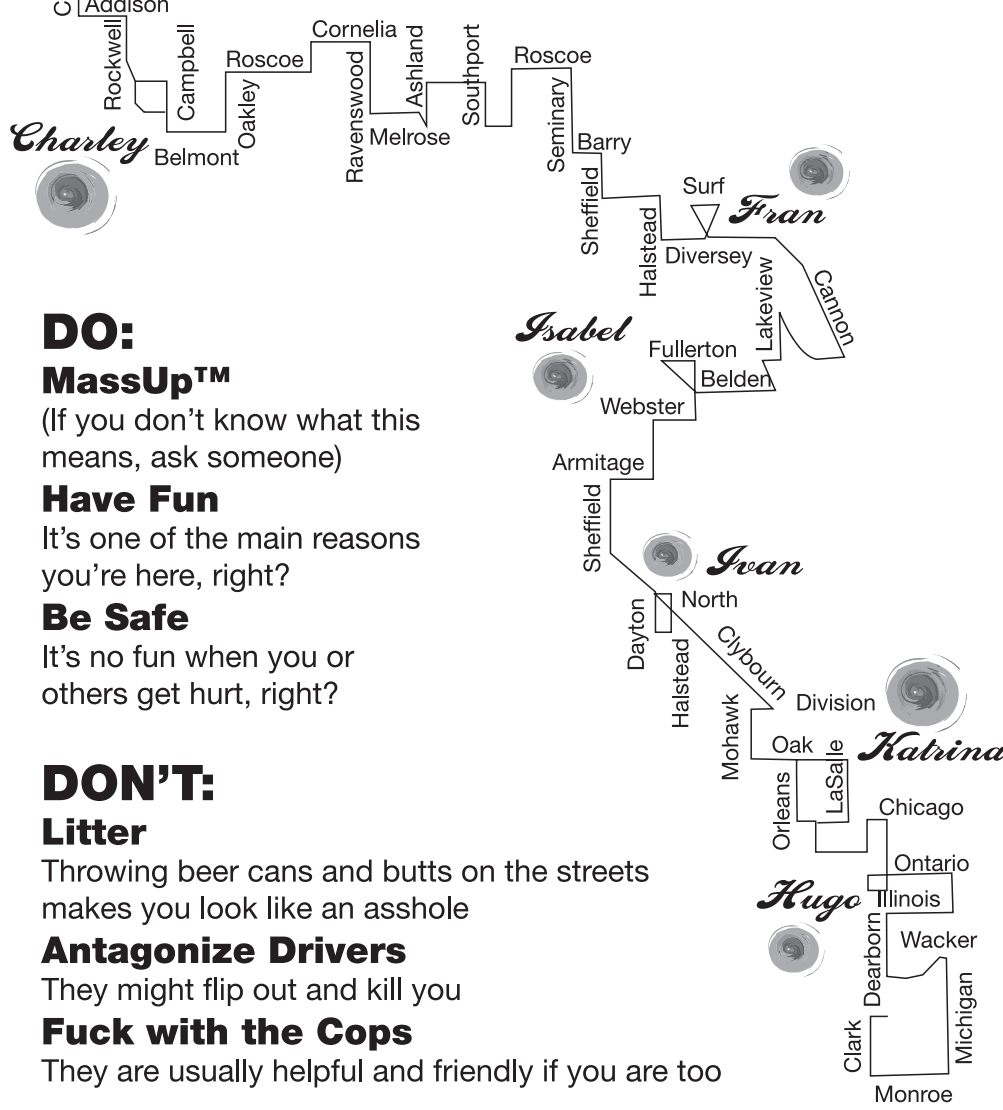

They are usually helpful and friendly if you are too
