

**Good Grief! You are paying WHAT
for gas now???**

**Stop the INFAMY!
There IS a better way...**

Most car trips are for less than 2 miles (when
your car is it's least efficient in gas mileage!)

Try a  instead!

- FREE transit
- Easy to use and maintain
- Park close to where you are going with minimal fuss
- No expensive gym fees, to get your daily exercise
- Rarely takes more than a few extra minutes to get where you are going compared to a car
- Good for you and good for the environment
- Time saver--combine fitness and transit
- Bikes ride free on all CTA buses and most trains with a fare-paying adult

Plus...

•BIKES ARE FUN!
