

THE UNDERWEAR MASS

Ending at Montrose for an underwear beach dance party!

Current law unequally criminalizes female breasts. Women must cover their nipples or can be charged with public indecency. In solidarity with women, men are encouraged to cover nipples as well.

We will be reliving the spirit & landmarks of WNBR routes past!

Enjoy the health benefits of fresh air on your body's largest organ: your skin!

THE UNDERWEAR MASS:

West on Randolph
 (right) North on Wacker
