

# CCM -3 (June 29 2007)

*Yes, it's true!*

*Chicago Critical Mass is ending in September with a huge*

## *Grand Finale Ride*

*to celebrate ten years of wildly successful monthly rides!*

*Please help make CCM's "final tour" the most memorable occasion in the history of inorganized cycling.*

*Invite your friends, coworkers, parents, out-of-town relatives, neighbors--*

*let's see if we can finally bring out a ridership that reflects the diversity of our city!*

This month Chicago Critical Mass shows its gratitude for all the support received from McDonald's Corporation by the Chicago bike community over the years, from the Millennium Park Bike Station to the unflinching presence of wholesome Ronald McDonald at community bike events.
