

YOU CAN'T QUIET THE RIOT

the spirit of '68 tour

TONIGHT, the 1968 Chicago riot cops are having a reunion to celebrate the brutal beating of Americans that were practicing their constitutional right to assemble and protest. **WTF?**

SILENCE = COMPLIANCE. Let's bike by and let the riot cops hear the voices of TRUE Americans that will NEVER ACCEPT POLICE BRUTALITY!

Stop at the site of the 1968 DNC Riot to honor the memory of the protestors that stood up to maintain the liberties that make Critical Mass possible.

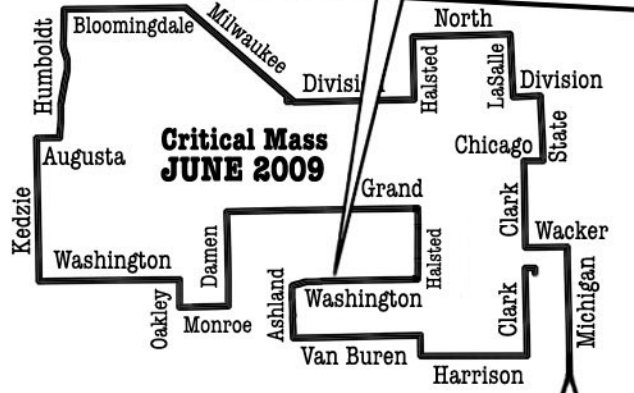

Pss. Hang with the Hippies!
We're going skinny dipping afterwards :-)
