

Welcome to the 2010 Bike To Work Everyday Rally

Bicyclists have a positive effect on our city life – riding a bicycle (instead of driving) makes our streets safer and more pleasant and makes our air cleaner. We encourage you to ride every day!

We'd also like to invite you to participate in the monthly Chicago Critical Mass ride. Chicago Critical Mass is a free, fun, 'parade speed' tour of Chicago neighborhoods. It's open to everyone, and is the most fun you can have on a bicycle.

Critical Mass leaves from Daley Plaza, the Last Friday of Every Month, between 5:30 and 6:00pm.

Every Day Is Bike To Work Day!
