HYDE PARK CRITICAL MASS!!

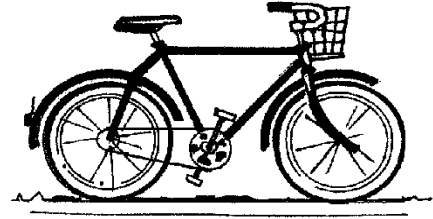

Meet this Friday, Oct. 5th at the Henry Moore Sculpture on Ellis Ave. Between 56th and 57th St. @ 5PM!

(Perhaps you know it as the Fermi sculpture between Max West and the tennis courts.)

Critical Mass is a monthly bike ride to show how bikes are a better way of traveling in our congested city. Whether you see it as a celebration or a demonstration, come out and have some fun!
