

The Deraileur • February 2007

This issue of *The Deraileur* is composed of randomly selected artwork from the 2007 Chicago Critical Mass Art Show. Because of space limitations, not every artist is featured. However, if tradition is followed, the Mass will end at the art show for a closing party, which will give everyone the opportunity to experience *all* artwork in person.

Special thanks to J., Dan Korn, the assembly crew, Cathy Haibach, the artists, this year's host—Mercury Cafe (1505 W. Chicago Ave., Chicago, IL 60622, 312.455.9924), those who left donations to cover the cost of food, and Booker Youngblutt and Damara Kaminecki for offering their art for sale to benefit Bike Winter.
